SAID ALI IS IN THE CITY JAIL

ARRIVED IN RICHMOND IN
CHARGE OF SHERIFF R. R.
VEALE AND SERGEANT
RUIZ, OF THE RICHMOND
POLICE DEPARTMENT, THIS
MORNING ON OWL TRAIN

PRISONER IS HURRIED TO
CITY PRISON IN AUTOMO-
BILE BY CHIEF OF POLICE
AFTER WHICH HE IS TAK-
EN TO MORGUE AND CON-
FRONTED WITH BODY OF
VICTIM

Sheriff R. R. Veale, of Contra Costa county, and Sergeant R. N. Ruiz, of the Richmond police department, arrived this morning in Richmond at 7:55, on the Southern Pacific Owl train, with Said Ali, the Hindu who is charged with having strangled Rosa Domingo, the Stege girl, on the evening of October 2nd, in custody.

Chief of Police James P. Arnold was at the depot bright and early this morning with his automobile to await the arrival of the sheriff of the county and his charge.

When the train pulled into the depot a large crowd of people had congregated in the vicinity, curious to get a glimpse of the Punjabi who has received so much notoriety of late through the medium of the press of the state for his cruel slaying of the young Portuguese girl.

When the train stopped Sergeant Ruiz was seen to alight first with the prisoner closely following. Sheriff Veale followed. The Hindu's hands were not manacled, the officers evidently not being afraid that the prisoner would attempt to make a break for liberty.

The prisoner was hurriedly rushed to the city prison.

FLORIST WINTERS HAS ACCIDENT

Winters, the florist, while trying to back his automobile up to his store front on Macdonald avenue, this morning, succeeded in backing up to a heavy rock wagon going up the avenue, with the result that his machine sustained minor injuries, consisting of a bent fender and rear guards of his Ford delivery wagon.

A verbal pyrotechnic display took place between Winters and the driver of the wagon, the former claiming that the teamster was to blame for running into him. This the teamster denied. No blood was spilled, nor was the police department called out.

MID-WINTER BALL LEAGUE IS ORGANIZED

The much talked of Mid-winter Baseball league was organized last evening with the following members at its head. President, Howard French; vice-president, Charlie Andrews, and treasurer, James Cryan, the local cigar dealer.

The league comprises some of the best amateur talent in this city and will be composed of the following teams: Standard Oil, manager Dick Greathouse; Winhaven, manager H. Adams; Santa Fe, manager Ernest O'Brien; Richmond Merchants, manager Billy Maloney. The first game of the season will be played at the local ball grounds on Sunday afternoon, at which time it is planned to have a double header, beginning at 1 o'clock, when the Richmond Merchants will line up against the Standard Oil nine, following which the Winhaven team will cross bats with the Santa Fe boys. The board of directors of the league will hold another meeting this evening for the purpose of completing their league schedule.

Every fad is foolish but the one you practice.

MANUFACTURE OF FURNITURE IN RICHMOND GETTING TO BE ONE OF THE PRINCIPAL INDUSTRIES

The manufacture of furniture in Richmond is becoming one of the leading industries of this thriving city. Out at the plant of the Richmond Manufacturing company, known locally as the Schrock Furniture factory and the California Chair company, over forty men are at the present time employed in the manufacture of all kinds of household furniture, with particular attention to the production of chairs for the California and eastern market.

There is hardly a hamlet or town in the big state of California where the products of the Richmond furniture concern cannot be found. From the Oregon line to the uttermost southern portion of the state the trade mark of the local concern is a familiar object.

At the present time the order for five hundred high-class chairs for the Episcopal cathedral at San Francisco, is being turned out. The chairs have been made and are now undergoing the finishing touches. They are in the hands of the varnishers and will be completed by the middle of next week and shipped to the metropolis across the bay.

These chairs show the development of the highest mechanical skill. They are made of Mendocino county oak, which was shipped here in the log and sawed into lumber at the factory in the West Richmond tract.

Mr. Schrock, manager of the factory, is very proud of the quality of work turned out for the San Francisco church and feels that this will be a forerunner for more orders.

The highest class machinery is used at the plant of the Richmond Manufacturing company in the manufacture of its products. The management realizes that in this age of keen competition that products must be turned out quickly. But the matter of quality of work is not sacrificed in the haste to turn out the goods. Only the most perfect pieces of furniture are allowed to pass the critical eye of the inspector who examines the separate piece as it comes into the warehouse ready to be packed.

In addition to the manufacture of furniture of all kinds the Richmond Manufacturing company makes a specialty of mattresses and quilts. This line of goods in all qualities and at all prices are turned out by the use of the most intricate of machinery.

The company, in order to stimulate the use of its products in this city, has established a retail department where any resident of Richmond can purchase any of the products of the plant at manufacturer's prices.

HIGH SCHOOL STUDENTS TO GIVE PLAY DIRECTOR MATTHEWS TO BE IN CHARGE

The students of the Richmond high school will again appear before the people of this city in their new three-act comedy, entitled, "Seven Twenty-Eight." The play will be staged at the Richmond theater on the evening of November 9th.

The students are to be coached for their coming show by William Matthews of Stanford University, who is highly elated over the talent he has found in the local school.

The cast of characters for the play is as follows:

Dr. Corliss Milton Lipp
Paul Holuhock Wm. Stewart
Bergass Justin Price
Signor Tambarina
..... Walter Hoffman
Jobbins Ervin Barr
Mrs. Bergass Helen Smith
Dora Holuhock
..... Valeria McLarney
Floss Bergass Rosie Little
Jessie, the maid Helen Boyd

CARBON PLANT TO COMMENCE WORK MONDAY

The \$25,000 Carbon Manufacturing company's plant will commence operations on Monday morning. P. Moses, manager of the plant, expects to have a force of twenty-five men at work which will gradually be increased until the plant is in full running order, when the company hopes to have close to one hundred men employed.

The Carbon plant is situated at the junction of Chanslor avenue and the Southern Pacific right of way, and is one of the biggest concerns of its kind about the bay. The main building is 140 feet in length by 40 feet in width and is divided into three sections.

In the first section the raw coke is treated in a hot blast furnace from which place it is conveyed to the second section, where it is pulverized and finally carried to the third section where it is placed into moulds and baked. The company will make on an average of 100,000 sticks of electric light carbons each day. Besides the carbon the plant is also equipped with machinery capable of making lampblack in large quantities.

EGYPTIAN DOCTORS FLY THE COOP --STUNG

Two dark-eyed individuals, posing as followers of the great Abah, the mysterious, whoever that fellow may be, arrived in Richmond recently, and immediately started a campaign of advertising their ability to cure all ills that flesh is heir to by simply collecting a fee and looking wise. They secured apartments in the St. Elmo and soon afterwards moved to the Messerie apartments on Nevin avenue. They claimed to be the only genuine psychotherapists this side of the great white Nile, and soon interested a local psychologist, who gave his time and attention to delivering lectures for the haiers in Sequoia hall on Thursday evenings.

The two mental healers did business under the firm name and style of Drs. Maltby and Jori. They evidently did not do much business in the healing line for they undertook to work some kind of an advertising stunt on the business men of Richmond, with the result that they got into trouble with Dammond, the well known Richmond avenue photographer.

JOLLY NEIGHBORS PLAY WHIST

Mrs. E. T. Keller entertained the ladies of the Jolly Neighbors at a whist party held at her home on Fifth street last evening. The prize winners for the evening are as follows: First prize, Mrs. H. W. Lunsford; consolation prize, Mrs. F. E. Adams. Following the award of the prizes dainty refreshments were served by the hostess.

Those present at the affair were: Mrs. Harry Lunsford, Mrs. Walter Braine, Mrs. David Coleman, Mrs. Frank Adams, Mrs. D. A. Knowles, Mrs. W. J. Caesar and Mrs. Gano.

BIG AUDIENCE AT SOCIALISTIC LECTURE

Miss Frances C. Hewes, the blind Socialist lecturer, gave a very entertaining and instructive lecture at the Lincoln school auditorium last evening to a large audience.

As a professional elocutionist, the speaker presented her subject, "Socialism," so forcibly and clearly that all who were fortunate to hear her felt themselves well rewarded for their trouble in attending the meeting.

The fact that the lecturer is blind does not seem to interfere with her work in the least.

The speaker promises to return to Richmond and deliver another lecture on the subject of "Hygiene" in the near future. It is sure that another large audience will greet the talented speaker when she returns to Richmond.

FORMER RECORD-HERALD MAN STARTS PAPER

The Record-Herald is in receipt of a copy of the "New Freedom," published by Thos. McVeigh, at Honolulu. The new paper is a weekly publication devoted to progressive democracy. Mr. McVeigh was formerly connected with the mechanical department of the Record-Herald as linotype operator.

The directors of the Richmond Municipal Water district held a regular meeting at the city hall last evening, with all members present. President Levi Boswell presided. The minutes of the previous meeting were read by the clerk and approved by the board.

City Attorney Hall, who is also manager and attorney for the water directorate, was instructed to draw an ordinance to provide that in all contracts for work which may be let for the construction of the proposed water system for the district, the preference must be given to local labor, where it is possible to employ local men. The idea received the unanimous approval of the board when put to a vote.

Next Thursday was the date set for the board's trip to Antioch to inspect the route of the proposed pipe line from the the Sacramento river.

The board will leave Richmond at 8 o'clock a. m. on the Santa Fe local, Thursday morning. When the members of the board arrive at Antioch they will embark in a launch for Collinsville, Solano county, where the site of the intake pipe will be inspected.

At Antioch the site of the proposed reservoir will be inspected.

Much discussion was indulged in last evening at the meeting of the board relative to the calling of a special election to vote bonds for the proposed water system for the district. It was finally decided to settle the matter at a committee meeting.

Cold days are due

—and Oakland's leading display of Heating Stoves is ready for your inspection at Breuners. Come at once, before the line-up is broken. Here are three random selections from the big display:

No. 1—The "Breuner Hot Blast"—the heater that warms the floors—equally good for wood, coal or trash without any change of fixtures—holds fire 24 to 36 hours—will save its cost in fuel in a few months—has smoke-proof top feed door instead of side doors—built of best cast iron and sheet metal—even heat day and night with little attention. Price \$13.35. On terms—\$2.50 cash and \$1 a week.

No. 2—"Pride of the Bungalow"—will fit in any ordinary open fireplace, as it is only 21 inches high to top of flue—burns either coal or wood—built of fine cast iron with nickel trimmings—has "mica" front through which the glow of the fire can be seen—will hold heat from 24 to 36 hours. Price \$9.50. On terms—\$2.50 cash and \$1 a week.

No. 3—"Oakland Air Tight"—a lined air-tight heater, for wood only, that will give instant heat and a lot of it. Price only \$1.65.

TYPHOID FEVER TO BE FOUGHT BY UNIVERSITY--WILL FURNISH VACCINE

Hereafter any Californian who has typhoid fever has himself to blame for his wholly unnecessary affliction.

It has just been announced that typhoid vaccine and directions for its use will be sent free to any physician in the state who will make application for it to the department of pathology of the University of California.

A new method of typhoid vaccination has now been worked out by Dr. Frederick Parker Gay, professor of pathology in the University of California. Vaccination against this dread disease has already been proved a success by worldwide experiment and use. Heretofore, however, the use of typhoid vaccine has caused, in many persons, considerable fever or nausea. Dr. Gay's new method, however, is not only of increased efficiency but does away with, or greatly reduces, any disagreeable symptoms in connection with such vaccination. Instead of using attenuated strains of living bacteria, as French medical investigators had done, Dr. Gay makes his vaccine from typhoid bacteria from the method ordinarily used heretofore in the United States and Great Britain in that he uses a sensitized culture—a culture treated with immune serum. Heretofore the three inoculations required have been given at intervals of ten days. Professor Gay's method shortens the time required. The second and third injections of the vaccine are now put into the arm three and six days, respectively, after the first inoculation.

More than three hundred students have been vaccinated against typhoid with Professor Gay's new method since the University of California reopened in August. The university infirmary is now giving the vaccine to more than 150 students every week. All students who ask for it are to be given such protection against this dangerous disease.

Typhoid is a more common disease than is generally recognized. Of the students in last year's freshmen class at the university one out of nine of the men and one out of eight of the girls had suffered from typhoid fever before entering college.

For some years the British, German and Japanese armies have enforced vaccination against typhoid for all their men. The United States army adopted it in 1911, and immediately cut down typhoid cases in the army to one twenty-first of what they had previously averaged per annum. The field agents of the United States department of agriculture now all take this precaution.

It is particularly in small towns and in the country that danger from typhoid is great, for the large city is apt to have better water supply, protected against sewage pollution. It is contaminated water, contaminated milk, and flies, which are the cause of most cases of typhoid. Even a city-dweller who is protected against these three sources of infection is still in danger of contracting the disease, since "typhoid carriers" are numerous and may contaminate food or drink. Such a typhoid carrier was discovered a year or so ago by the state hygienic was a winch-stand on the ship Acme who had himself fully recovered from the disease. Merely because he dipped his fingers into the water-cask on deck, during a period of five years, he gave typhoid fever to thirty people, of whom five died. Besides those known cases, there is no telling how many others contracted the disease from him without the connection being traced. Director Wilbur A. Sawyer of the state hygienic laboratory estimates that 2 per cent of all the people who have typhoid remain "carriers" after they themselves have recovered from the disease. He urges that physicians should not discharge typhoid patients as cured until bacteriological tests prove that they are no longer dan-

gerous to others.

While ample tests have shown the superiority of Professor Gay's new method, probably in increasing the immunity of the person so vaccinated against typhoid and certainly in making the process simpler and in lessening discomfort, yet Dr. Gay is continuing his experiments, in the idea of still further perfecting the method. It is still thought desirable to continue to follow what is now the approved practice of the medical world, and to report such vaccination against typhoid fever after two years.

SAN PABLO LADIES TO GIVE BAZAAR

The ladies of the San Pablo Baptist church will give a bazaar and food sale on October 30th. The ladies are making all preparations for the event and the bazaar and social will be something outside of the ordinary church affairs.

The Baptist church at San Pablo is experiencing quite a lively growth under the pastorate of Rev. McAlpine and there seems to be an unusual religious revival among those of the Protestant faith in our neighboring town.

TURN HAIR DARK WITH SAGE TEA

Grandma kept her locks dark, glossy and thick with a simple mixture of Sage Tea and Sulphur

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's treatment, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product called "Wyeth's Sage and Sulphur Hair Remedy" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive; besides, prevents dandruff, itching scalp and falling hair. For sale by all druggists.—Adv.

SAID ALI IS IN THE CITY JAIL

(Continued from page one.)

to the awaiting automobile and accompanied by representatives of the two Richmond daily papers, the party was speedily rushed to the city jail. The party disembarked and the prisoner was taken into the office of the chief of police. After a few minutes wait Chief of Police Arnold and Sheriff Veale took the prisoner over to the Richmond avenue branch morgue.

Said Ali was told to enter the room where the lifeless form of the

girl he had murdered was laid out on a slab covered with a sheet. Sheriff Veale approached the corpse and beckoning Said Ali to come nearer, raised the sheet from the face and asked the Hindu, "Do you know this girl?" Said Ali, without a tremor, answered, "Yes." The sheriff then asked, "What name did you know her by?" The answer to this question was "Rosie Riley." The Hindu was then asked, "Did you ever see her in this condition before?" The answer given to the last question by the accused Hindu was, "No, the last time I saw her she was alive."

Throughout the whole time that the officers of the law and Said Ali were in the dead room, the latter

maintained a cool composure; not a tremor in his facial expression denoted that he was inwardly effected in the least by the sight of the dead girl's body. His race is a race of stoics. To subdue all passions and to be indifferent to all pleasure and pain is characteristic of the Punjab, and in the case of Said Ali the fact that he never batted an eye-lid is no proof that he is not guilty of the awful crime with which he has been accused.

Said Ali was then returned to the city prison, where he was locked up in a cell to await his removal to the county jail at Martinez. It is probable that he will be taken up to the county seat this evening. In the meantime the prisoner will be subjected to a severe examination with the idea that he may be induced to tell the truth.

Said Ali has gone back on his confession made to the officers shortly after his capture was effected at Calxico. At the time he was placed under arrest by Sergeant Ruiz and Deputy Sheriff Applestall, of Imperial county, he acknowledged to the officers that he had strangled the girl to death. He said she had spent his money and that, in a heat of passion, he had killed her.

Now the Hindu maintains that he did not commit the deed. He says that Charles E. Riley, of Stege, is the guilty man, and that he was given the sum of \$50 by the latter to flee the country. He does not attempt to reconcile this statement with his confession made to the officers when first arrested. He maintains that he will be able to prove a complete alibi when the proper time arrives.

Riley Arrested

Acting under advices telegraphed by Sheriff Veale late yesterday afternoon, Chief of Police Arnold placed Charles E. Riley, the Stege teamster, who was an intimate friend of the girl, and who was arrested when the body was first found at the foot of the Stege wharf and who was subsequently released, under arrest. Riley was taken to the county jail at Martinez last evening and will be held until eventualities will determine whether he had anything to do with the girl's murder or not.

Musa Held as Witness

Had Musa been an accomplice, according to District Attorney McKenzie, he would have tried to dispose of the incriminating ashes containing the unburnable portions of the murdered girl's clothes, which were in a stove in the shack he and Said Ali occupied. Musa Khan, however, will be held as one of the principal witnesses in the case, as will the four other easterners who have been taken into custody since the murder took place.

To Whom Credit Is Due

Much credit is due the Richmond police department for the untiring work of its members in helping to run down the murderer of the Stege girl. To Detective Walker, who unearthed much evidence which will eventually fasten the crime on Said Ali, much credit is due. Walker devoted his energies night and day to running down and ferreting out clues with the result that his work was crowned with success.

The services of Sergeant Ruiz in the man hunt that has interested the people of the entire state, and which terminated so successfully proved to be of incalculable worth. Ruiz' knowledge of the Spanish language and his intimate acquaintance with the Mexican people was a great help in capturing the much-wanted Hindu. Then, too, Ruiz has had years of experience in the running down of criminals and is a close student of human nature, all of which has been of great aid to the officers of the law in the present case.

Chief of Police Arnold is jubilant over the successful outcome of the man hunt, and considers that the system in vogue by his office can not be beat.

Men's Clothing on Which You Take No Chances

Suits and Overcoats

\$15, \$18.50, \$25 & \$30

The element of chance is entirely absent from these suits and overcoats. They must fit and they must give satisfaction or you need not keep them for a moment. Years of experience and expert knowledge of clothing manufacture are back of every one of these garments. The fabrics are all-wool in every instance, the sewing is of silk and not cotton, the linings are selected with extra care and the tailoring such that our garments positively will hold their shape.

The fact of our owning our own factory in New York City where these garments are made gives us an advantage not shared by any other firm. This advantage lies in your favor, for it enables us to put more style and more real value into our garments than would be possible otherwise. Satisfy yourself by looking at them tomorrow against every other offer.

An Extraordinary Shoe Offering

Last Spring we were somewhat handicapped by the non-arrival of a large shipment of Laird-Schoeber & Co.'s Fine Footwear. The railroad company lost this shipment in transit and after months of waiting we have just received a part of it. The company has naturally made us a very generous money claim to cover the loss of our Spring sales. Fortunately these shoes were not of light weight and are suitable in every way for Fall wear. Our Fall order was placed at a time when we had given up these shoes entirely. We are now anxious to sell them off so as to avoid an overloaded stock.

A patent Kid Welt Button, being a very stylish dress shoe. The styles we offer are described below:

boot. Bought to sell at \$6.50.

A dark Tan Button Shoe in an up-to-the-minute style.

An ideal walking boot, made to sell at \$6.50.

WE OFFER BOTH MODELS WHILE THEY LAST AT \$4.35 THE PAIR.

Sale of Haviland China Dinner Ware

We refer to a white china with gold edge made on "Derby" shapes. This is one of the neatest and most standard decorations we have ever displayed. The reason for the reduction we offer below is solely the fact that we have received a large shipment of Haviland in a similar design.

 CLAY ST. BET. 13TH & 14TH OAKLAND

TO PREACH SPECIAL SERMON ON OCT. 25

Rev. W. S. Stewart, the new pastor of the Calvary Baptist church, at the request of several residents of Richmond, will, on Sunday, October 25th, preach a special sermon on the topic, "The Necessity of the Vicarious Atonement."

That Rev. Stewart will have a good sized audience in his church on the occasion of the delivery of this most interesting sermon is assured. The topic is one that has caused theologians throughout the civilized world to, from time immemorial, to expatiate on the reasons why the Son of Man was compelled to undergo excruciating pain and suffering for the sin of Adam.

Rev. Stewart will explain, from his point of view, why this was all necessary in accordance with the Christian plan of salvation.

M. F. TARPY WILL BE HONORED IN FRISCO

M. F. Tarpey of Fresno will be signally honored by all the citizens of the state at a banquet to be tendered him at the Palace hotel, San Francisco, on Thursday evening, October 23rd, at 7:00 p. m., under the auspices of the Home Industry League of California.

This is in recognition of the great service Mr. Tarpey rendered the California industries at Washington during the discussion of the recent tariff bill. Those who assisted him in the fight will also be the guests of honor.

Owing to the shortness of time, regular invitations to the banquet will not be sent out by the committee but return postcards have been sent all the state inviting citizens to come to his city and honor the distinguished Californian.

William T. Senson, president of the San Francisco Chamber of Commerce, has been asked to act as toastmaster.

Tickets for the banquet may be secured through J. B. McCargar, room 2091, Palace hotel, San Francisco.

Governor Hiram W. Johnson, Mayor Rolph, Jr., Chief Justice of the Supreme Court William A. Beatty, Senators Newlands, Works and Perkins, and the members of the California congressional delegation will also be guests of honor.

The committee in charge is composed of the following: Col. C. H. Pippy, chairman; A. C. Rulofsen, R. E. Queen, J. R. Harbour, C. H. Workman, L. F. Walsh, J. B. McCargar, Robert Newton Lynch, E. O. McCormick, George Filmer, G. Sharnboro, J. C. Kirkpatrick, Judge J. F. Sullivan, A. B. Spreckels, Paul Masson, Sam N. Rucker, Col. Theo Gier, Louis Levy, W. Hanson, A. G. Boynton, Jesse Lillenthal, John S. Orum, John G. Drum, John A. Britton, Geo. C. Halberton, T. T. Gregory, W. T. Jeter (Santa Cruz), J. A. Ulrich, Henry Griswold, W. J. Dutton, Louis Sloss, Jas. H. O'Brien and J. P. McInerney.

Dr. W. W. Fraser, the well known Richmond physician went over to San Francisco last evening to attend a ceremonial meeting of the Shriners to which order he is a member. He reports having had a most enjoyable time.

AT GERWIN'S—COMMENCING TOMORROW A Trimmed Hat Event

A most impressive exhibit that should arouse great enthusiasm among appreciative women who will find worth, correctness of style and values making it unnecessary to wait until the end of the season to secure remarkable savings on high-class trimmed hats such as we now offer.

We find it desirable to reduce the quantity of trimmed hats in stock, many of them just fresh from their boxes.

If we were to go into detail about the styles, material and trimmings, we could tell a wonderful story.

Comparative prices mean little. The hats themselves — priced as they are, give the best ideas of the splendid values.

Several hundred beautiful hats including all model and pattern hats original values from \$7.50 to \$55.

Have been repriced as follows

\$4.35, \$6.85, \$10.85, \$18.75, \$24.75

A Great Plume Sale

This is one of the greatest Plume seasons in years. You would hardly think these values possible. They are fine male stock, heavy heads and wide flues. Color range includes black, white, red, mahogany, peacock blues, brown, tan and taupe. Women who know about plumes will surely appreciate these out-of-the-ordinary values. We suggest noting window display.

Editorial

From the day this store opened last January its success was achieved by the merit, unusual character and quality of its merchandise as well as reasonable prices. SOLANO IRRIGATION PROJECT MAY GO UNDER

(Vallejo Chronicle)

That breakers are ahead, and very close, to the seven-million-dollar Solano Irrigated Farms project, is the opinion of those who should be well posted on realty matters.

According to these reports, which appear to be more authentic than mere rumors, the company operated too extensively on credit and prospects, instead of bona fide developed values, and that it will only take a breath to destroy the fabric that was not constructed on a solid basis.

It is reported that even now the firm is in the hands of a receiver, the transfer having been made last Thursday and jealously guarded.

It has been an open secret for more than a month that bills against the corporation were almost impossible of collection.

Suits for the foreclosure of mortgages have already been instituted against the corporation in this county. Perhaps the most important has been brought by the Solano Land company on a mortgage of \$350,000 on a large tract of land bordering on tide water, which the Farm company purchased several months ago, giving notes and mortgages, some of which became due October 1st.

It develops that very little actual money was paid at the time of any of the purchases.

The Maine Prairie Land company has also instituted proceedings against the corporation. Two weeks ago Attorney Harlow V. Greenwood, representing William Hanhuth, the Napa road rancher, filed an action and it is reported that more are promised.

Just what the result will be, no one seems to know. During the time the company was advertising extensively and in a spectacular manner all over the state considerable criticism was heard as to the methods employed. It was stated that it would be necessary for the

Farm company to sell this land very rapidly and clear the mortgages in order to have any money to continue the mammoth operations promised. It is charged that the idea was hatched with the belief that the immense project could be successfully exploited on very small capital. Had the sales been as successful as was originally intended, this might have worked out satisfactorily.

FIVE JOIN IN SUIT AGAINST FORESTERS

CHICO, Oct. 17.—The supreme lodge of the Independent Order of Foresters is to be sued in an effort to enjoin it from further collecting from members what are alleged to be excessive and exorbitant assessments. Five of the oldest Foresters of this city yesterday employed an attorney and a complaint has been prepared to enjoin the lodge from collecting further tolls. The plaintiffs declare the lodge is trying to freeze out old members and thus escape paying insurance policies in case of death.

TAKE SALTS TO FLUSH KIDNEYS

Eat less meat if you feel Kidney or Bladder troubles you—Salts is fine for Kidneys

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

For sale by all druggists.—Adv.

HELP THE KIDNEYS

Richmond Readers Are Learning the Way

It's the little kidney ills—The lame, weak or aching back—The unnoticed urinary disorders—That may lead to dropsy and Bright's disease.

When the kidneys are weak, Help them with Doan's Kidney Pills.

A remedy especially for weak kidneys.

Doan's has been used in kidney troubles for 50 years.

Endorsed by 30,000 people—endorsed at home.

Proof in a Richmond citizen's statement.

Miss A. M. Downar, 206 Castro street, Richmond, Cal., says: "I am certain that anyone having kidney trouble will find Doan's Kidney Pills of great benefit. In my own home Doan's Kidney Pills have brought results that have made me certain of their merit. A long-standing and very painful case of kidney complaint was relieved by this remedy, after doctors and other medicines had been used without success."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

NOTICE OF IMPROVEMENT INVITING PROPOSALS THEREFOR

Pursuant to Statute and to Resolution Ordering Work No. 203 of the Council of the City of Richmond, adopted October 14th, 1913, directing this notice, NOTICE IS HEREBY GIVEN that for the following described Street Work, ordered by said Council, and to be done according to the Specifications No. 203 posted and on file in my office, and therefor adopted by said Council on the 2nd day of September, 1913, by Resolution adopting Plans, etc., No. 203, to which reference for particulars is hereby made, namely:

That a six (6) inch vitrified ironstone pipe sewer be constructed along the center line of Lucas Avenue from the existing Manhole in Lucas Avenue and Eighth Street to a manhole to be constructed at the intersection of the center line of Tenth Street and the center line of Lucas Avenue.

That a six (6) inch vitrified ironstone pipe sewer be constructed along the center line of Tenth Street from the intersection of the center line of Lucas Avenue and the center line of Tenth Street to a lamphole to be constructed 450 feet north of the center line of Lincoln Avenue.

That a six (6) inch vitrified ironstone pipe sewer be constructed in the center of Tenth Street from a lamphole to be constructed 620 feet north of the center line of Pennsylvania Avenue to the end of the existing sewer 62 feet north of the center line of Pennsylvania Avenue.

That a six (6) inch vitrified ironstone pipe sewer be constructed along the center line of Ninth Street from the existing manhole in Pennsylvania Avenue and Ninth Street to a lamphole to be constructed 590 feet north of the center line of Pennsylvania Avenue.

That a six (6) inch vitrified ironstone pipe sewer be constructed along the center line of Ninth Street from the intersection of the center line of Lucas Avenue and the center line of Ninth Street to a lamphole to be constructed 450 feet north of the center of Lincoln Avenue.

That manholes of brick be constructed at the following points, to-wit:

In the center line of Lucas Avenue at the intersections of the center line of Ninth Street and the center line of Tenth Street; in the center line of Lincoln Avenue at the intersections of the center line of Ninth Street and the center line of Tenth Street in the center of Tenth Street 270 feet south of the center of Lincoln Avenue.

That lampholes be constructed at the following points, to-wit:

In the center of Ninth Street 450 feet north of the center of Lincoln Avenue; in the center of Tenth Street 450 feet north of the center of Lincoln Avenue.

That 6x4 inch wye branches be placed, one for every twenty-five feet of property fronting on the above lateral sewers.

All of said work and improvement to be done in accordance with special plans and specifications Number 203, adopted therefor and now on file in the office of the City Clerk.

And the Council does hereby determine and declare that the public interest and convenience requires that said work and improvement should be done and that said proposed work and improvement is of more than local and ordinary public benefit, and will affect and benefit the lands and district herein-after described, which said district is hereby declared and established to be the district benefited by said work and improvement, and that the cost and expense of the construction of the said lateral sewers, including manholes, lampholes, wye branches and the incidental expenses thereof shall be and is hereby made chargeable against, and shall be assessed upon such land and district, all of which district is within the City of Richmond, County of Contra Costa, State of California, and more particularly bounded and described as follows, to-wit:

Beginning at the southeasterly corner of Lot Eight (8), Block Nineteen (19), Turpins Addition; thence running westerly to the southwesterly corner of said Lot Eight (8); thence northerly to the northwesterly corner of said Lot Eight (8); thence westerly to the southwesterly corner of Lot Ten (10), Block Seventeen (17), Turpins Addition; thence northerly to the northwest corner of Lot Sixteen

Pursuant to Statute and to Resolution Ordering Work No. 156-2, of the Council of the City of Richmond, adopted October 14th, 1913, directing this notice, NOTICE IS HEREBY GIVEN that for the following described Street Work, ordered by said Council, and to be done according to the Specifications No. 156-2, posted and on file in my office, and therefor adopted by said Council on the 15th day of August, 1913, by Resolution Adopting Plans, etc., No. 156-2, to which reference for particulars is hereby made, namely:

That A Street from the northerly line of Nevins Avenue to the southerly line of Barrett Avenue, B Street from the northerly line of Nevins Avenue to the southerly line of Barrett Avenue, C Street from the northerly line of Nevins Avenue to the southerly line of Barrett Avenue, be graded to their full width to the official line and grade, paved with oil macadam, guttered and sidewalks with cement concrete.

Except such portion thereof as is required by law to be kept in order or repair by any person or corporation having railroad tracks thereon, and also excepting any of said work now in to official line, grade and specifications.

All the above described work shall be done in accordance with the plans and specifications adopted by the Council of the City of Richmond for said work by its resolution duly passed at a regular meeting of said Council held on the 15th day of August, 1913, and numbered 156-2, now on file in the office of the City Clerk of the City of Richmond, reference thereto being hereby especially made.

That said City Council, under the authority conferred upon it by the provisions of that certain act of the Legislature of the State of California approved April 7, 1911, and known as the "Improvement Act of 1911," determines and declares that serial bonds be issued to represent the cost of said proposed improvements; said bonds shall be serial, extending over a period of five (5) years from the second day of January next succeeding their date, and shall be issued to represent assessments of twenty-five dollars (\$25.00) or more remaining unpaid for thirty (30) days after the date of the warrant issued to the contractor, or five (5) days after the decision of said council upon an appeal; an even annual proportion of the principal sum of each bond shall be payable by coupon on the second day of January of each year after its date until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year at the rate of seven (7) per cent per annum on all sums unpaid until the whole of said principal and interest is paid; and said bonds shall be issued in accordance with the provisions of said "Improvement Act of 1911."

Sealed proposals are hereby invited to be filed in the office of the undersigned, City Clerk of said City, on or before 8 o'clock p. m. Monday, October 27th, 1913.

Bidders must file with each proposal a Check, certified by a responsible Bank, payable to the order of the City of Richmond, for an amount which shall be not less than ten per cent of the aggregate of said proposal, or a Bond for said amount, payable as aforesaid, signed by the bidder and by two sureties, who shall justify, before an officer authorized to administer an oath, in double the said amount, over and above all Statutory exemptions. Bids received as above will be opened at 8:30 P. M. of said last named day.

Dated at the Clerk's office, City of Richmond, this 15th day of October, 1913.

LOCAL MENTION

Mr. and Mrs. James Lester are entertaining Frank Hansen and wife, of Riverbank.

Rev. A. C. Austin, pastor of the First Baptist church of Richmond, who has been enjoying an extended vacation in the southland, is expected to return to his charge in Richmond the first of the week.

T. P. Fay, the well-known realty operator, has taken up his residence in this city. Fay formerly resided in Oakland, but owing to his extensive interests in this city was forced to remove his home to Richmond.

Culte a large party of Richmond people will go over to Berkeley this evening to hear a lecture in California hall delivered by Canon Rochdale, of Highgate, philosophical tutor at Oxford University. The topic

will be "The Philosophical Basis of Religion."

The work of plastering the exterior of the Wesley M. E. church is progressing rapidly. The side already finished presents a neat appearance. Rev. Calfee is superintending the work.

Mrs. F. M. Brown, who resides in the Wall addition, near Pullman, lost a gold brooch pin, a family heirloom, and advertised the loss in the Record-Herald. This morning the pin was returned to her.

Arthur Stensel, whose preliminary examination was concluded last evening before Police Judge Wm. Lindsey, on a charge of assault on the 8-year-old Amelia Bader, was held to answer by the magistrate. He will be tried in the superior court at an early date. District Attorney McKenzie conducted the case for the people at the examination. The principal witnesses against the defendant were Mrs. Bader and the child.

Local Mention

Pertinent remarks about well-known people in Richmond and happenings about town.

Mrs. B. B. Smith, of Fresno, is visiting with her sister, Mrs. J. C. Smith, in this city.

W. Lucas, the well known real estate dealer of this city, left this afternoon for a business trip to Modesto and Madero.

F. E. Clark, who has been sojourning at Weaverville, Trinity county, for the past month, returned to Richmond last evening.

The Ladies' Aid society of the Presbyterian church held a meeting this afternoon at the home of Mrs. D. C. Bryant, at 42 Fifth street. There was a good attendance at the meeting and much business was transacted.

Rev. D. W. Calfee, pastor of the Wesley Methodist church, was called to the county line today to perform a marriage ceremony. The two happy people proved to be William J. Pickles and Merle Pauline Donaldson, both of Berkeley. The bride was only 15 years of age and had secured the consent of her parents to the ceremony.

An outing party consisting of E. H. Harlow, H. D. Wier, C. W. Andrews, W. Baker, W. Cummings, J. B. Ford and B. X. Tucker, will leave tomorrow morning for Boulder Creek, where they will remain for several days. The party will visit San Jose, Big Basin and Santa Cruz, following which they will return to this city.

It appears that the two alleged medics solicited orders for business cards and made a guarantee that if the cards were taken to Hammond's place the latter would give the holder a free photograph. Hammond secured a warrant for the "doctors" but when the police went out to the Messerie apartments to arrest the men they had decamped for parts unknown. It is said several Richmond business men are out small amounts for having trusted the two men.

Ever Buy a Suit On Credit

The System Works so Perfectly at Cherrys

Probably you have heard of them—possibly not. Anyhow, here's the place for you to go to get your Fall Suit or Overcoat.

Listen—Don't you buy most of life's commodities on Credit? Don't you pay for your GROCERIES by the month? And your gas bill? And doctor's services? Perhaps you are paying for your home the same way.

Why not apply this system in buying your clothes? It's fine if you go to the right place. Cherrys is one of the biggest, snappiest places on the coast for Ladies' and Men's clothes. More people than you think buy their CLOTHES on EASY PAYMENTS. Get in Line.

No matter what color, style or material you may want you can find it at Cherrys. Now here is the best part: YOU DON'T HAVE TO WAIT TILL YOU HAVE ALL THE MONEY. Cherrys's system is an

established success. Go today and look over their hundreds of thousands of garments both for Ladies and Men, for Fall and Winter. You'll sure find the garment you are looking for, then close the deal. A small cash payment and weekly or monthly installments for the remainder—that's the system.

Cherrys's have stores in three cities. Oakland stores, 515 13th St., for Ladies, 528 13th St. for Men. San Francisco stores: 1009 Market St. for Ladies and Men; also 2400 Mission St. for Ladies and Men. Los Angeles: 636 S. Broadway.—Advt.
